## The Daily Quote

"Lawmakers blew past their Monday target for producing a catchall spending package that would fund the government through September. Disputes... prevented appropriators from filing a final bill Monday night and increased the risk that another stopgap measure could be needed before all current funding runs out at midnight Friday...'When they said they'd like to file tonight, I started to laugh,' said Rep. Mike Simpson, R-Idaho, a senior appropriator, after attending a closed-door GOP conference on the omnibus spending package Monday evening."
