### **The Daily Quote**

"House Republicans will vote next week on two bills addressing the plight of hundreds of thousands of Dreamers who face possible deportation, circumventing an intra-party war over immigration... They've been left to accept Speaker Paul Ryan's idea: One vote on a conservative proposal drafted by Judiciary Committee Chairman Bob Goodlatte (R-Va.), and a second on a compromise package still being assembled by Ryan in consultation with moderates and conservative Republicans. **Neither is expected to pass**, according to Republicans in all camps."
