The Daily Quote

"For a moment last week, it looked as though the ever-diminishing moderate wing of the Republican Party would assert itself after years of being pushed around by radical right-wingers and a GOP establishment scared of the extremists. But when the chips were down, the moderate bloc in the House could not gather the last few signatures it needed to force a vote on mainstream bills to protect the 'dreamers,' immigrants who came to this country as children and now are at risk of deportation."
