## The Daily Quote

“Listen. Learn. Legislate. Those are the goals of House Minority Whip Steny H. Hoyer’s ‘Make It In America’ agenda. The Maryland Democrat has been traveling the country to talk to business owners, workers, economic leaders and students about what Congress can do to help them succeed. From that listening tour, Hoyer and his team say they have learned what kind of legislating voters want them to pursue in three key areas: entrepreneurship, education and infrastructure...‘What we heard from the people we met at all those stops was essentially the same: Congress needs to be a partner in enabling our people to get ahead’.”
