The Daily Quote

"I think a number of cuts that Republicans have made in the continuing resolution are wrong. They cut port security by two-thirds, they cut transit security by two-thirds, that's one example right there. We cannot afford those cuts. They are too dangerous. And one attack on one subway train or one attack in one port will cost us more money going into future years than any small amount they are saving."

- Rep. Peter King (R-NY), CNN's State of the Union, 3/6/11
