The Daily Quote

“A survey commissioned by the Republican National Committee has led the party to a glum conclusion regarding President Donald Trump’s signature legislative achievement: Voters overwhelmingly believe his tax overhaul helps the wealthy instead of average Americans. By a 2-to-1 margin -- 61 percent to 30 percent -- respondents said the law benefits ‘large corporations and rich Americans’ over ‘middle class families,’ according to the survey, which was completed on Sept. 2 by the GOP firm Public Opinion Strategies and obtained by Bloomberg News.”
