The GOP Leadership has announced the following schedule for Wednesday, November 28: The House will meet at 12:00 p.m. for legislative business. The House is expected to consider bills listed for consideration under suspension of the Rules.

The Daily Quote

“Insurance premiums are sinking and choices are sprouting... Looking across all 50 states, the premiums for the average ‘benchmark’ silver plan, which the government uses to set subsidies, are dropping nearly 1 percent. And more than half of the counties in the 39 states that rely on the federal HealthCare.gov exchange are experiencing a 10 percent price decrease, on average, for their cheapest plan.”
