The Daily Quote

"Senate Republicans are growing impatient with the stalemate over 2011 funding levels and want to save their political capital for a debate on the debt limit and entitlement reform. But they must contend with a bloc of House conservatives who want an unqualified budget victory over President Obama....GOP lawmakers on both sides of the Capitol are also sensitive to the backlash they might receive from Tea Party-affiliated conservatives if they back off from the \$61 billion in cuts passed by the House at the beginning of this year."
