The Daily Quote

"Americans vented... frustrations this past week in Republican districts crucial to GOP majority control of the House, sounding off about health care and President Donald Trump's abrupt firing of FBI Director James Comey... Republicans in some districts faced a backlash at raucous town halls over their votes for the House health care bill. There were plenty of complaints about a provision that would allow insurers to charge seriously ill people higher rates if they let their coverage lapse. Other lawmakers avoided holding forums... Trump added to the tumult by dismissing Comey, raising questions about whether the president was trying to scuttle an FBI investigation into possible collusion between the Trump campaign and Russia."
