The House is not expected to consider any amendments to either H.R. 2354 or H.R. 1309.

The Daily Quote

"I think if we get to August 2nd and there is no debt ceiling [increase] and there has to be significant spending cuts, I think even if Congress and the administration reverse themselves days later, I think the damage will have been serious and we'll probably be thrown into a recession."

- Mark Zandi, chief economist at Moody's Analytics, 6/28/11
